

Have you visited our Patient Portal?

**It's the place to go for extensive information
about cataract and refractive surgery.**

The European Society of Cataract and Refractive Surgeons (ESCRS) Patient Portal is designed to guide you through every step.

- Understanding your options and potential procedures.
- The benefits and risks of surgery.
- Aftercare instructions for a smooth recovery.

**Scan the QR code
to learn more!**

ESCRS is the principle professional association
for cataract and refractive surgeons in Europe
